God does not approve the action of any one without his insight and mere insight means nothing without action. Insight leads a person to proper action. Insight means nothing without proper action. Lo, the conviction of one interacts with the conviction of the other."

Usul al-Kafi, Book 2, Chapter 12, Tradition 2

"Knowledge goes with action. One who knows acts on it, and one who acts possess knowledge. Knowledge invites one towards action. If the call is accepted, knowledge stays, and if it is rejected knowledge departs."

"Imam Jafar as-Sadiq (p) was asked: "How can one who is destined for salvation be recognized?"

The Imam [replied]: 'One whose deeds are in accordance with his words. If it is so, the evidence of his salvation is genuine. In case his actions are not in agreement with his words, his knowledge is worthless."
